# **Wind Dancer Flag_5m -** template **v2**

Scale : 100%

Please read the following before setting up your artwork.

| | |
|---|---|
| Clipping Mask | - There is a clipping mask available on the 'Client Artwork' layer for you to clip your artwork to. |
| Artwork Safe Zone | - Please ensure all important artwork information i.e. logos, text & images fall within the safe zone area. |
| Trim Line | - Printed material will be trimmed to this line. |
| Bleed Line | - Please ensure your artwork fills the area to this bleed line. |
| Using layers | - Please ensure you select the green 'Client Artwork' layer in the 'Layers' panel when placing your artwork.<br>- You can turn the 'Artwork Guidelines' layer off by clicking on the eye symbol to the left of the relevant layer. |
| Saving Artwork: | - DO:<br>  - save artwork as PDF using the standard 'Illustrator Default' option.<br>  - turn off the 'INFO - Non Print' layer when saving artwork to PDF.<br>- DON'T:<br>  - delete or change the colours of the keylines as spot colours are used for production.<br>  - rename the file name, but instead just add your job name to the end of the existing file name. |
