standard feather flags

Feather Flags, Teardrop Flags, Sail Flags and Flagpoles

Feather Flags, Teardrop Flags, Beach Flags, Sail Flags, are an effective, sustainable way to make maximum impact out of your brand.

XG Premium Feather Flags with Rotating Bases

These Premium Flag systems are made to a very high standard and are built to last, incorporating ball bearings in the bases to allow for friction free flag rotation in the wind. Combined with our in-house printed and finished flags they offer sustainable, quality solutions to your event flag needs.

Our in-house printed and finished Feather Flags are ideal for many display environments and unlike traditional flags don't require wind to get your message across. Feather Flags can be used indoor and outdoor and combined with the correct base choice they can be used on hard surfaces or soft ground, see our base options for more details.

Choose your flag in five easy steps:

On the next pages you will find a guide to ordering your flag, this should help you decide exactly what you require before you call us. If you have any questions or are ready to order please call us on: **01280 707 180**

Step 1
Shape

Step 2
Size

Step 3
Base

Step 4
Artwork

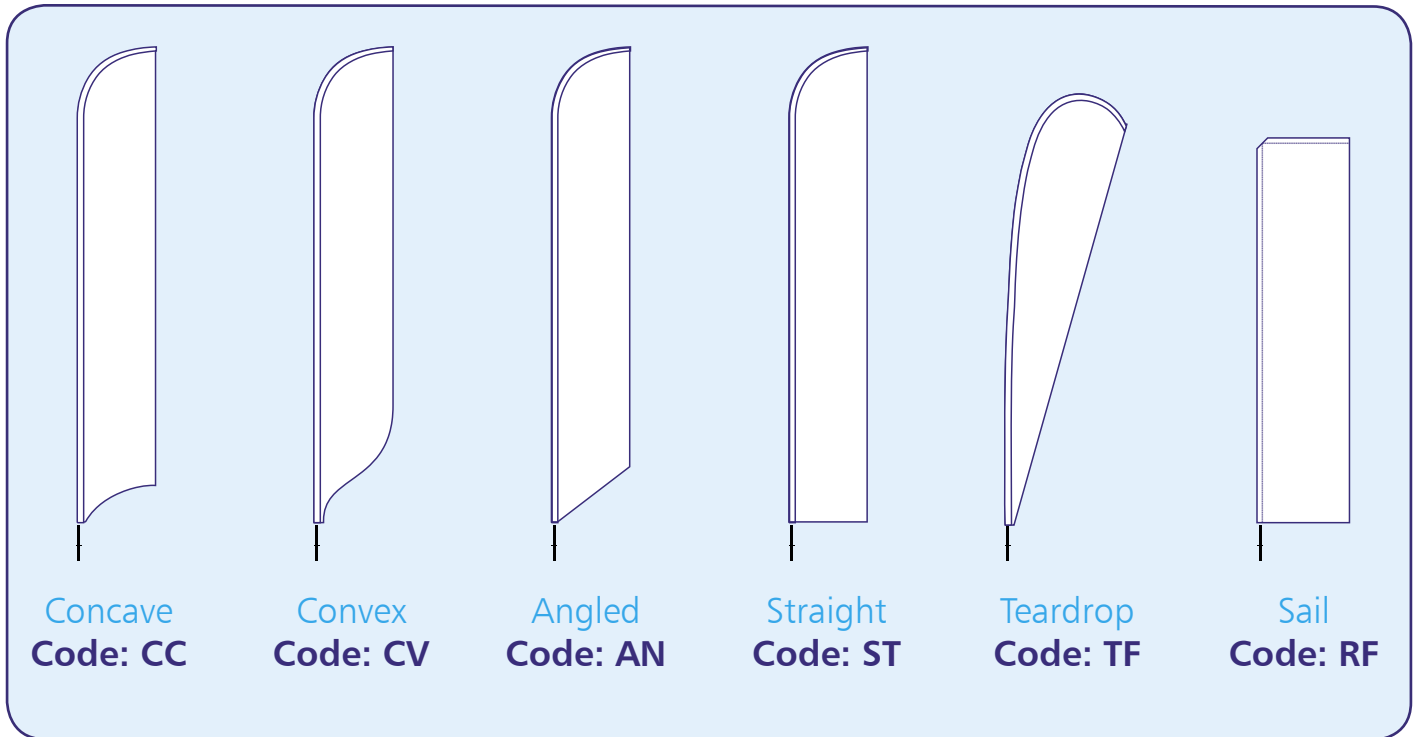

Step 5

Next Page

step 1 - choose your shape

Choose the shape:

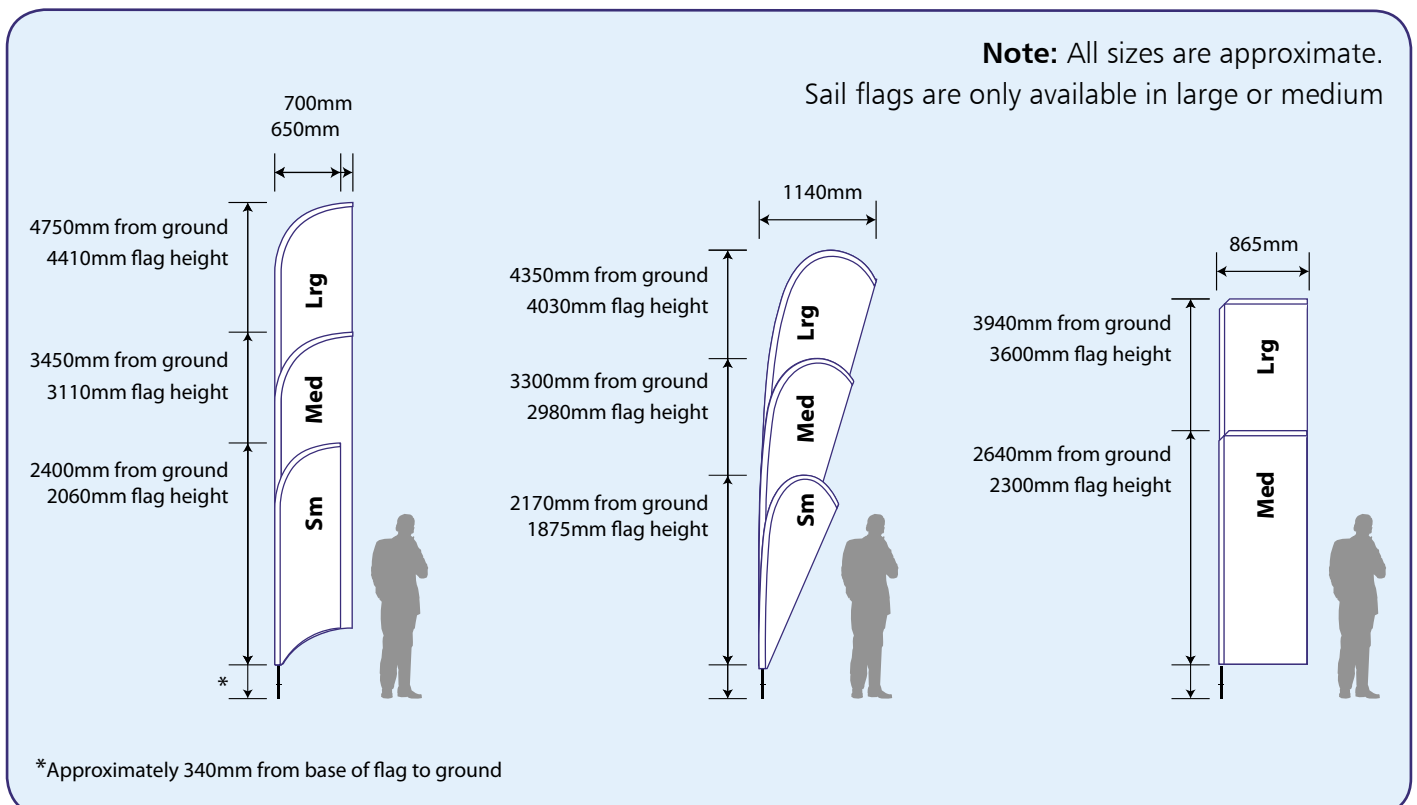

step 2 - choose your size

Choose the size:

Total height as drawn is for pole and flag only and excludes optional bases. Add 100 mm height for cross base. Add minimum 45mm for ground spike (dependant upon how far spike is driven into the ground).

Note: Poles can be supplied with smaller flag options - please call for more information.

step 3 - choose your base

Rotating Ground Spike
Chrome plated steel for soft ground. Ball bearing spindle for smooth flag rotation. Length: 500mm

Snow/Beech/Sand Screw Ground Spike
This plated steel rotating screw in stake is a hammer free way to support your flag on snow or sand. Ball bearing spindle for smooth flag rotation. Length: 380mm

Universal Cross Base
For use on hard ground, indoors or out, holes on feet allow for pegging to soft ground. Powder coated steel & ball bearing spindle for smooth flag rotation. Optional water-fillable water bag.

Rotating Wheel Base
Black powder coated steel feet with chrome plated steel spindle. Simply wedge under car wheel or drive onto base for maximum security. Folding design for ease of storage & transit.

Event Flag/Parasol Water Base
Integral handle; easy to move. Screw in spigot tube. To be filled with water or sand for weighting. Ball bearing rotating spigot for friction-free flag rotation

Feather Flag Planter
Manufactured from solid jointed timber. Complete with polyliner. The wood is treated for an extended life & flat-packed for easy assembly

For further fixing options, see our tailored feather flag document.

step 4 - creating your artwork

You have 2 options when creating artwork.

1. Design your own or use your preferred agency to design it for you.

If you want to create your own artwork, we can email you an illustrator template or a PDF template to set your artwork too. You can then email us back the production ready artwork when placing your order.

2. Let XG Artwork it for you.

If you require assistance in preparing the artwork for your flag, XG can help you with this for FREE. We will artwork your flag from your supplied elements and lay them out as requested. We would require a clear brief and logos (ai,eps), fonts, colours etc. Should you require more complex graphic design, please call.

step 5 - how to order

Now you are ready to place your order:

You can contact us by emailing (preferred) sales@xg-group.co.uk with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation with order confirmation.

For non account customers we will require full payment before your order can be processed. Payment can be made over the phone, by electronic transfer or cheque (please allow 4/5 days for cheques to clear). Standard production lead times are 5-7 working days, larger orders may take longer. For price information on all standard flag products refer to our price matrix on the next page. Please feel free to phone us if you need help or advise on our products or processes.

FREE Delivery

- Free standard delivery to mainland UK
- Please call for timed deliveries as these are available but will be charged
- Overseas deliveries are also available at an additional cost

flag kit

What's included:

All flag kits come standard with a premium high quality fibreglass pole with steel reinforced joints, in-house manufactured dye sublimated flag with good show through on reverse, durable Oxford carry bag and your choice of base.

Please ensure you download the current up to date price list from our website - www.xg-group.co.uk
