Aluminium Extreme Mini Marquee

Available in 3 sizes: 3 x 3m | 3 x 4.5m | 6 x 3m

This range of commercial quality aluminium shelters have been designed and engineered for maximum strength and durability whilst remaining relatively light weight, manoeuvrable for ease of handling and transportation. This is one of the toughest and most reliable pop up shelters available anywhere and offers outstanding quality and value for money.

This unit is a great choice for the professional user who demands strength and reliability all year round. We have supplied this to a wide range of users from professional motorsport teams, outdoor catering companies, merchandising companies, promotional and exhibition companies. It has carried the brand names of many national and international companies.

It is ideal for printing and branding check out our website for more information on printed Mini Marquees.

This Aluminium Extreme range is much stronger than many steel and aluminium alternatives offered by other companies that claim to be of a commercial grade.

They are available in 3 different sizes and 7 different colours.
