

## tailored feather flags

### Tailored Feather Flags, Forecourt Flags, Teardrop Flags, Sail Flags and Flagpoles

XG also offers a range of tailored or non standard flags, poles and base options as shown below.

These are suitable for forecourt and car sales environments, allowing flags to be attached to all sizes of vehicle and securely positioned with bolt down bases for permanent fixing.

To discuss your requirements please call **01280 707 180** for more details.

## specialist fixings

### Specialist Fixing options:

#### Wall Mount:

This enables you to wall mount your flag at 25° or 0° still incorporating the rotating functionality.

#### Rotating Spigot:

This allows you to fabricate your own fixing without compromising on the functionality of the quality rotating spigot.

#### Bolt down base 90°:

This enables base to be bolted down to a hard surface for a more permanent or demanding install.
