www.xg-group.co.uk

Please use this design brief form to sketch up how you want your Tent to look including orientation of wording, position of logo's etc. Annotate the drawing with any specific details such as what type face you want, logo references or clarification of wording and spelling etc. Also indicate any specific colour requirements or use the colour chart on the 2nd page.

Once you have completed the form, please scan or capture the form on a camera phone and email to us along with any relevant supporting files (logo's & images).

Logo's and images: Along with your brief you need to supply any graphics, images or logo's in suitable resolution and file format. Low res Jpegs from websites is generally not sufficient. Ideally you should supply vector artwork PDF files or high res jpegs. If you are unable to supply appropriate artwork especially logo's, we may be able to offer a logo redraw service which starts at £25 + VAT. Other artwork services are available from £20 per 20 minutes.
