

TECHNICAL DATA SHEET

BILD™ Premium long term floor covering

Description

BILD™ (Formally known as G-Floor) A transparent heavy-duty PVC floorcovering that is waterproof, slip and stain resistant, mould and mildew resistant. It has an embossed surface. The image is printed to the reverse side of the product for the ultimate abrasion protection. The top surface can withstand high volumes of pedestrian traffic and durable enough for vehicle traffic.

Suggested uses

- Long-term flooring in the following settings;
 - Retail
 - Commercial
 - Residential
 - Industrial

Print method

Direct digital UV print (rear print multi-layer with white ink)

Material details

Charateristics	Test Method	Details
Composition	N/A	100% premium polyvinyl
Nominal Thicknes	N/A	2.0mm
Total Weight		2400gsm
Coefficient of Friction	BS 7976-2:2002	Wet: 43 / Dry: 63 Low slip potential
Flame Resistance	EN 13501-1	Class Cfl-s1
Environmental Certification	REACH Certified	Yes

*As with any flooring, we recommend you use caution when the flooring is wet as it may be slippery.

Key features & benefits:

- Transparent textured PVC surface that is tough and water resistant.
- Dimensionally stable, lays flat and can be easily cut, trimmed and glued using standard floor fitting methods. (Use of a trained floor fitter for permanent installations is recommended).
- Can be cleaned by using any standard floor cleaning products suitable for vinyl flooring.
- Image is printed on back face for maximum durability.

Aftercare guide for digitally printed BILD™ Flooring

- Care should be taken when handling and installing to prevent them from getting dirty.

Product cleaning and warnings

- Surface is easily washed with soap and water. Mild soaps and other commercial detergents suitable for vinyl floors are usually effective.
- Never leave harsh detergents or chemicals on product.
- Do not drench or flood the floor as this will loosen the adhesive bond creating a hazard.
- BILD products do not require waxing or sealing, as it will negatively impact slip resistance.
- BILD products are stain resistant, but not stain proof. Certain dyes, inks, rubber tires, and chemicals may cause permanent staining.
- Never use harsh chemicals such as tar remover or kerosene on this product as they can damage the surface.

Caution - Safety Warning:

- Any floor surface may become slippery when moisture or debris is present. Proper care and cleaning of vinyl flooring will reduce the likelihood of slips and falls. Always wipe up any spills or fluids to prevent hazardous, slippery conditions.
