

Repositionable Graphics

Fantastic prices

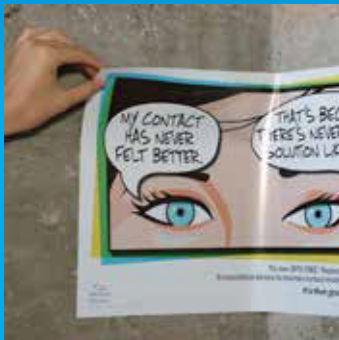

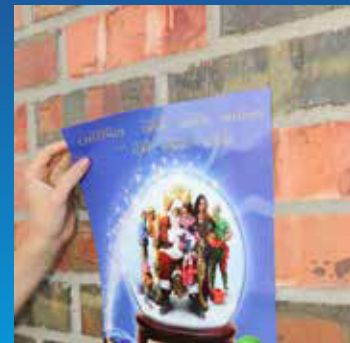

Branding options

Fast UK delivery

Our repositionable, reusable self-stick graphics are an easy to use cost-effective branding solution, ideal for businesses and retail outlets as they can be applied to many smooth surfaces including windows, interior walls, mirrors, and can be used for special events, vehicle branding, event marketing or general signage. Our repositionable graphics require no adhesive and leave no residue.

Easy to install and remove, they can be removed and re-fixed if you mishandle or haven't installed the graphic correctly.

Why we recommend XG's Repositionable Graphics

- Perfect to brand temporary events like conferences
- Ideal to overbrand shell schemes at exhibitions
- Easy to apply and remove
- Totally damage-free
- Can be easily repositioned
- An adhesive-free graphic for almost all smooth surfaces
- PVC free unlike any other static cling product

Choose your Repositionable Graphics in 4 easy steps:

On the next pages you will find a guide to ordering your Repositionable Graphics which we hope helps you decide what you need.

Please call us on **01280 707180** or if you have any questions or to discuss your requirements.

Step 1 - Material:

All repositionable graphics are printed to order, please contact us by calling 01280 707180 or emailing sales@xg-group.co.uk with your requirements.

CLINGZ and SKINZ are both guaranteed to be damage free on removal. CLINGZ is available in white and SKINZ is available in both white or clear, both materials are digitally UV printed on our large format digital printers.

Both our materials can be profile cut to shape.

CLINGZ

CLINGZ is a unique electrostatic printable film that 'clings' on both sides to virtually any clean surface without the need for tape, tacks or adhesives.

CLINGZ is unrivalled in terms of its versatility and range of applications as it sticks to brick, wood, plastic, metal, glass, marble, vinyl and many other surfaces. Unlike Static Cling Vinyl, CLINGZ is 100% recyclable.

SKINZ

SKINZ graphics are made from a unique substrate that literally "sucks" on to glossy surfaces but remains removable and repositionable. Our highly technical, adhesive-free SKINZ material is ideal for use on glass as an alternative to PVC static products, and is for applications such as point of sale and short-term interior decor and promotional branding.

Step 2 - Application:

Please discuss your application with us, because there might be other factors affecting which material is most suitable.

Contact us by calling 01280 707180 or emailing sales@xg-group.co.uk with your requirements.

CLINGZ	SKINZ
Guerrilla marketing	Window graphics
POS	Retail messaging
Posters	Promotional decals
Way finding	POS
Wall paper	Office manifestation
Brick, Wood, Plastic, Metal, Glass, Marble	Glass, Marble, Mirrors, Gloss finish surfaces

Step 3 - creating your artwork

You have 2 options when creating artwork

1. Design your own or use your preferred agency to design it for you.

We have templates for many of our products which can be found on the 'TEMPLATES' tab section of the relevant product page. We recommend using file transfer sites to upload artwork due to the speed and ease. One of these that we recommend is **WeTransfer**

2. Let XG assist you with your artwork.

If you require assistance in preparing your artwork, we can help lay out your supplied elements.

We will require you to complete our artwork brief which can be found on the 'ARTWORK' tab section of the relevant product page. This will then need to be sent to us via email to sales@xg-group.co.uk you can send a photo or a scanned version, we would also require any logos in vector format (ai,eps), fonts and relevant copy needed to complete the layout.

This process would require your approval and final sign off before production. Please note, we do charge for artwork and we will discuss this during the quote process.

General guides for artwork are as follows:

- Production ready high resolution PDF
- Supply your artwork at full size or for larger prints supply your PDF at half or quarter size.
- Supply your PDF file with Image Bleed
- Resolution to be a maximum 150 dpi at full size
- Embed all text and fonts
- Transfer your files Via We Transfer
- Should you require more complex graphic design, please call us on **01280 707180** or email **sales@xg-group.co.uk** to discuss your requirement.

Step 4 - how to order

Now you are ready to place your order:

You can contact us by emailing **sales@xg-group.co.uk** with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation prior to your order confirmation.

For non account customers we will require full payment before your order can be processed.

Payment can be made by card over the phone, by bank transfer or cheque (please allow 4/5 days for cheques to clear).

Delivery is based on a standard 5-7 working day production lead time. These may vary depending on quantities and are subject to availability. If an express turnaround is required, we will always endeavour to help.

Please call us on **01280 707 180** if you need help or advice on our products or processes.
