## Choose your Branded Table Cover in 3 easy steps:

On the next pages you will find a guide to ordering your Branded Table Cover which we hope helps you decide what you need.

Please call us on **01280 707180** or if you have any questions or to discuss your requirements.

### Step 1 - Size & Style:

#### Things to consider

what size table cover do you require?

What type of table cover do you require?

Commonly there are four sizes of trestle table, 4ft, 5ft, 6ft & 8ft.

The table to the right shows the standard size trestle table, which is what our sizes are based on.

Table Size	4ft	5ft	6ft	8ft
Length	1220	1520	1830	2400mm
Depth	750	750	760	760mm
Height	740	740	740	740mm

#### Size and Finishing

If your table is a different size, you can follow the below to work out the size of the table cover you require;

Length = Table length + height + height

Width = Table depth + height + 300mm

This will ensure the fabric covers the front and sides and partially covers the back of the table. We tend to leave the back open slightly to allow for access, which is often useful at exhibitions and events for storage. We can offer a full throw for both fitted and throw style table covers.

#### Full Throw

Our full throw table covers are designed to quickly cover any table, allowing branding for all sides. These are laser cut providing a clean finish.

#### Fully Fitted

Our full fitted table covers are designed to fit perfectly. They are laser cut & finished with stitch & seam lines following the edges of the table.

#### Open Back Throw

Our open back throw table covers are designed to quickly cover any table, with a cut out back for ease of access and are laser cut finished.

#### Open Back Fitted

Open back fitted table covers are laser cut & finished with stitch & seam lines following the edges of the table with a cut out back for ease of access.

#### Table Runner

Branded table runners allow you to cover a cloth with your branding, maximising your brand exposure. Laser cut providing a clean finish.
