

Safety Screens & Sneeze Guards

Made in the UK

Branding options

Quick assembly

These tabletop PPE safety screens & sneeze guards are ideal for desks, counters and checkouts to protect your staff and customers by preventing the spread of viruses like Covid-19 (Coronavirus).

Acrylic & Perspex are high in demand with low stock availability, these clear film options are a fantastic alternative that are delivered flat packed and easy to assemble. Two options are available, a cut to shape Foam PVC product and an Aluminium TFS product for long-term applications.

Both can be custom printed with your company logo or colours to provide brand exposure, please look at our artwork guide for more information.

Why we recommend XG's XG branded Safety Screens & Sneeze Guards

Choose your XG branded Safety Screens & Sneeze Guards:

On the next pages you will find a guide to ordering your Safety Screen which we hope helps you decide what you need. Please call us on **01280 707180** or if you have any questions or to discuss your requirements.

Step 1 - Specification:

Our PPE safety screens & sneeze guards are designed to add protection for your staff and customers, meaning the right amount of space between people can be met while still allowing for paperwork, cash transactions and other goods to be passed through the access aperture at the bottom of the screens.

Both of our products are delivered flat packed, and are designed to be easy to build, perfect for preventing the spread of viruses while still allowing interaction where necessary.

TFS PPE Safety Screen

Our TFS PPE Safety Screen is made up of an aluminium extrusion frame, and a clear film that is easily and neatly fitted in to position resulting in a sleek and professional finish. Designed with feet that swivel & lock meaning that the system can be flat packed and delivered in a tube. An access aperture which measure 100mm allows for paperword, cash transactions or other goods to be safely passed through.

Step 2 - creating your artwork

You have 2 options when creating artwork

1. Design your own or use your preferred agency to design it for you.

We have templates for many of our products which can be found on the 'TEMPLATES' tab section of the relevant product page. We recommend using file transfer sites to upload artwork due to the speed and ease. One of these that we recommend is **WeTransfer**

2. Let XG assist you with your artwork.

If you require assistance in preparing your artwork, we can help lay out your supplied elements.

We will require you to complete our artwork brief which can be found on the 'ARTWORK' tab section of the relevant product page. This will then need to be sent to us via email to sales@xg-group.co.uk you can send a photo or a scanned version, we would also require any logos in vector format (ai,eps), fonts and relevant copy needed to complete the layout.

This process would require your approval and final sign off before production. Please note, we do charge for artwork and we will discuss this during the quote process.

General guides for artwork are as follows:

- Production ready high resolution PDF
- Supply your artwork at full size or for larger prints supply your PDF at half or quarter size.
- Supply your PDF file with Image Bleed
- Resolution to be a maximum 150 dpi at full size
- Embed all text and fonts
- Transfer your files Via We Transfer
- Should you require more complex graphic design, please call us on **01280 707180** or email **sales@xg-group.co.uk** to discuss your requirement.

Step 3 - how to order

Now you are ready to place your order:

You can contact us by emailing **sales@xg-group.co.uk** with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation prior to your order confirmation.

For non account customers we will require full payment before your order can be processed.

Payment can be made by card over the phone, by bank transfer or cheque (please allow 4/5 days for cheques to clear).

Delivery is based on a standard 5-7 working day production lead time. These may vary depending on quantities and are subject to availability. If an express turnaround is required, we will always endeavour to help.

Please call us on **01280 707 180** if you need help or advice on our products or processes.
