

Custom printed bollard covers

Fantastic prices

Branding options

Quick assembly

Printed bollard covers are a cost-effective point-of-sale marketing solution to raise brand awareness and ensure you grab your customers' attention. Made from recyclable polypropylene (Correx), these covers are perfect for short-term marketing campaigns and to welcome customers to your retail space.

Add your corporate branding, market a product, or create a unique promotional message, these are an excellent way to use your car parking space and front of your store as extra advertising space.

Our Correx bollard covers are digitally direct printed and produced to order, as well as being tough, durable, and weatherproof. Available in a range of standard sizes and dispatched flat for simple assembly without the need for fasteners, clips, or glue.

Why we recommend XG's Custom printed bollard covers

- Custom printed covers turn bollards or lampposts into advertising space
- Fits easily over the top of existing bollards
- Triangle or square options
- 800, 1000 and 1200 heights
- Simple assembly without the need for tools

Choose your Custom printed bollard covers in 3 easy steps:

On the next pages you will find a guide to ordering your bollard covers which we hope helps you decide what you need.

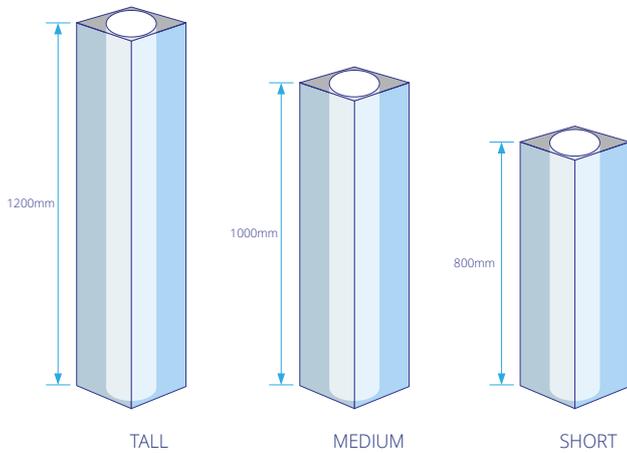

Please call us on **01280 707180** or if you have any questions or to discuss your requirements.

Step 1 - Shape & Size:

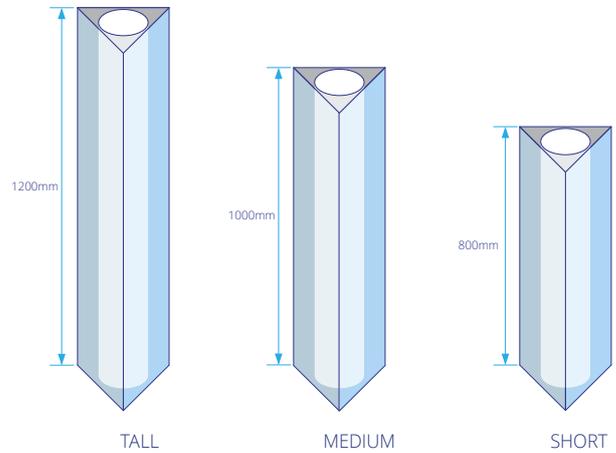

Bollard covers are available in two shape options: Square and Triangular, and three height option, Short (800mm), Medium (1000mm), and Tall (1200mm).

To select the correct size bollard cover for your requirement, measure the diameter of your post and select from the below.

Step 2 - creating your artwork

You have 2 options when creating artwork

1. Design your own or use your preferred agency to design it for you.

We have templates for many of our products which can be found on the 'TEMPLATES' tab section of the relevant product page. We recommend using file transfer sites to upload artwork due to the speed and ease. One of these that we recommend is **WeTransfer**

2. Let XG assist you with your artwork.

If you require assistance in preparing your artwork, we can help lay out your supplied elements.

We will require you to complete our artwork brief which can be found on the 'ARTWORK' tab section of the relevant product page. This will then need to be sent to us via email to sales@xg-group.co.uk you can send a photo or a scanned version, we would also require any logos in vector format (ai,eps), fonts and relevant copy needed to complete the layout.

This process would require your approval and final sign off before production. Please note, we do charge for artwork and we will discuss this during the quote process.

General guides for artwork are as follows:

- Production ready high resolution PDF
- Supply your artwork at full size or for larger prints supply your PDF at half or quarter size.
- Supply your PDF file with Image Bleed
- Resolution to be a maximum 150 dpi at full size
- Embed all text and fonts
- Transfer your files Via We Transfer
- Should you require more complex graphic design, please call us on **01280 707180** or email **sales@xg-group.co.uk** to discuss your requirement.

Step 3 - how to order

Now you are ready to place your order:

You can contact us by emailing **sales@xg-group.co.uk** with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation prior to your order confirmation.

For non account customers we will require full payment before your order can be processed.

Payment can be made by card over the phone, by bank transfer or cheque (please allow 4/5 days for cheques to clear).

Delivery is based on a standard 5-7 working day production lead time. These may vary depending on quantities and are subject to availability. If an express turnaround is required, we will always endeavour to help.

Please call us on **01280 707 180** if you need help or advice on our products or processes.
