Custom Printed Roller Banners and Pull Up Banners

£ Fantastic prices

No tools required

Fast UK delivery

A range of economy to premium quality roller banners suitable for every budget and including printed graphics. From low cost, single use to high quality multiple use units, we'll have the perfect option for you. All our roller banners consist of premium quality aluminium casings with high quality, digitally printed graphics, that are stay flat, stop light and anti-scratch.

Roller banners are easy to use, quick to setup and pack away and easy to store, making them the cost-effective solution for any business looking to make professional impression at a seminar, trade show, retail space, conference or exhibition with minimum fuss. When packed away the printed roller banner graphic is securely stored inside the casing. To assemble the roller banner, simply pull up the graphic, hook it over the supplied pole and you instantly have your display.

Why we recommend XG's Roller Banners

- Easy to assemble

Step 3 - creating your artwork

You have 2 options when creating artwork

1. Design your own or use your preferred agency to design it for you.
We have templates for many of our products which can be found on the 'TEMPLATES' tab section of the relevant product page. We recommend using file transfer sites to upload artwork due to the speed and ease. One of these that we recommend is **WeTransfer**

2. Let XG assist you with your artwork.
If you require assistance in preparing your artwork, we can help lay out your supplied elements.
We will require you to complete our artwork brief which can be found on the 'ARTWORK' tab section of the relevant product page. This will then need to be sent to us via email to sales@xg-group.co.uk you can send a photo or a scanned version, we would also require any logos in vector format (ai,eps), fonts and relevant copy needed to complete the layout.

This process would require your approval and final sign off before production. Please note, we do charge for artwork and we will discuss this during the quote process.

General guides for artwork are as follows:

- Production ready high resolution PDF
- Supply your artwork at full size or for larger prints supply your PDF at half or quarter size.
- Supply your PDF file with Image Bleed
- Resolution to be a maximum 150 dpi at full size
- Embed all text and fonts
- Transfer your files Via We Transfer
- Should you require more complex graphic design, please call us on **01280 707180** or email **sales@xg-group.co.uk** to discuss your requirement.

Step 4 - how to order

Now you are ready to place your order:

You can contact us by emailing **sales@xg-group.co.uk** with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation prior to your order confirmation.
For non account customers we will require full payment before your order can be processed.
Payment can be made by card over the phone, by bank transfer or cheque (please allow 4/5 days for cheques to clear).
Delivery is based on a standard 5-7 working day production lead time. These may vary depending on quantities and are subject to availability. If an express turnaround is required, we will always endeavour to help.
Please call us on **01280 707 180** if you need help or advice on our products or processes.
