The versatile banner stand (widely known as the Pegasus) is ideal for event or exhibition backdrops and with dye sub printed graphics creates a stunning backdrop stand for red carpets, press conferences, media interviews, event or studio photography, or simply to promote your marketing message more effectively.

A lightweight, compact alternative to a wide roller banner stand, the systems media banner's aluminium, silver anodised telescopic poles can be fully adjusted up to 3m wide and 2.5m high. The banner is very simple to assemble; no tools are required, and is extremely portable, breaking down into transportable pieces which fit into the supplied carry bag with separate sections for the hardware and fabric graphics.

Why we recommend XG's Pegasus Telescopic Tension Backdrop

- Telescopic poles allow for adjustable heights and widths
- Ability to go to 3m wide
- Quality full colour dye sublimation printed polyester fabric graphics
- Matt finish fabric print ideal for promotional photography
- Easy to transport in supplied soft carry bag

Step 4 - creating your artwork

You have 2 options when creating artwork

1. Design your own or use your preferred agency to design it for you.

We have templates for many of our products which can be found on the 'TEMPLATES' tab section of the relevant product page. We recommend using file transfer sites to upload artwork due to the speed and ease. One of these that we recommend is **WeTransfer**

2. Let XG assist you with your artwork.

If you require assistance in preparing your artwork, we can help lay out your supplied elements.

We will require you to complete our artwork brief which can be found on the 'ARTWORK' tab section of the relevant product page. This will then need to be sent to us via email to sales@xg-group.co.uk you can send a photo or a scanned version, we would also require any logos in vector format (ai,eps), fonts and relevant copy needed to complete the layout.

This process would require your approval and final sign off before production. Please note, we do charge for artwork and we will discuss this during the quote process.

General guides for artwork are as follows:

- Production ready high resolution PDF
- Supply your artwork at full size or for larger prints supply your PDF at half or quarter size.
- Supply your PDF file with Image Bleed
- Resolution to be a maximum 150 dpi at full size
- Embed all text and fonts
- Transfer your files Via We Transfer
- Should you require more complex graphic design, please call us on **01280 707180** or email **sales@xg-group.co.uk** to discuss your requirement.

Step 5 - how to order

Now you are ready to place your order:

You can contact us by emailing **sales@xg-group.co.uk** with your requirements along with your full invoice address and delivery address (if different). We will then send you back a formal quotation prior to your order confirmation.

For non account customers we will require full payment before your order can be processed.

Payment can be made by card over the phone, by bank transfer or cheque (please allow 4/5 days for cheques to clear).

Delivery is based on a standard 5-7 working day production lead time. These may vary depending on quantities and are subject to availability. If an express turnaround is required, we will always endeavour to help.

Please call us on **01280 707 180** if you need help or advice on our products or processes.
